The general mandates previously granted to the Directors to repurchase and issue Shares by written resolutions of the Shareholders passed on 20 May 2011 will expire at the conclusion of the Annual General Meeting. In order to give the Company the flexibility to repurchase and issue Shares if and when appropriate, the following ordinary resolutions will be proposed at the Annual General Meeting to approve the granting of new general mandates to the Directors:

- (a) to repurchase Shares on the Stock Exchange not exceeding 10% of the total nominal amount of the Company's issued share capital as at the date of passing of such resolution (i.e. an aggregate nominal amount of Shares not exceeding US\$5,885,000 (equivalent to 588,500,000 Shares) on the basis that issued share capital of the Company remains unchanged as at the date of the Annual General Meeting) (the "**Repurchase Mandate**");
- (b) to allot, issue or deal with Shares not exceeding 20% of the total nominal amount of the Company's issued share capital as at the date of passing of such resolution (i.e. an aggregate nominal amount of Shares not exceeding US\$11,770,000 (equivalent to 1,177,000,000 Shares) on the basis that the issued share capital of the Company remains unchanged as at the date of the Annual General Meeting) (the "**Issue Mandate**"); and
- (c) to extend the Issue Mandate by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to and in accordance with the Repurchase Mandate (the "**Extension**").

With reference to the Repurchase Mandate and the Issue Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares or issue any new Shares pursuant thereto.

In accordance with the requirements of the Listing Rules, the Company shall send to Shareholders an explanatory statement containing all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the granting of the Repurchase Mandate. LETTER FROM THE BOARD

5. ANNUAL GENERAL MEETING AND PROXY ARRANGEMENT

The notice of the Annual General Meeting is set out on pages 18 to 22 of this circular. At the Annual General Meeting, resolutions will be proposed to approve, among others, the re-election of the retiring Directors, declaration of final dividends, the granting of the Repurchase Mandate and the Issue Mandate as well as the Extension of the Issue Mandate by the addition thereto of the nominal amount of Shares repurchased pursuant to the Repurchase Mandate.

Completion and delivery of the form of proxy will not preclude you from attending and voting at the Annual General Meeting if you so wish and in such event, the form of proxy shall be deemed to be revoked.

6. RECOMMENDATION

The Directors consider that the declaration of final dividends, the re-election of the retiring Directors, the granting of the Repurchase Mandate and the granting/extension of the Issue Mandate are in the interests of the Company, the Group and the Shareholders.

The Directors believe that the exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company.

The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases of Shares will benefit the Company and the Shareholders.

The exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 December 2011, being the date of its latest audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

LETTER FROM THE BOARD

Accordingly, the Directors recommend the Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

As far as the Directors are aware, as at the Latest Practicable Date, Mr. Han Benwen was not interested or deemed to be interested in any shares or underlying shares of the Company or its associated corporations pursuant to Part XV of the SFO.

Director's emolument

As set out in the service contract entered into by Mr. Han Benwen and the Company dated 16 January 2011, the fixed portion of the annual salary of Mr. Han Benwen shall be RMB200,000 (subject to adjustment made by the remuneration committee and the shareholders meeting of the Company). The Company may provide Mr. Han Benwen with other benefits which it may determine from time to time. The emolument of Mr. Han Benwen has been determined in accordance with the Articles of Association and the remuneration policy of the Company.

Other information and matters that need to be disclosed or brought to the attention of the Shareholders

Mr. Han Benwen does not have any relationship with any Director, senior management, substantial or controlling Shareholder (as defined under the Listing Rules) of the Company and has no information to be disclosed pursuant to any of the requirements under paragraphs 13.51(2)(h) to 13.51(2)(v) of the Listing Rules; and there are no other matters concerning Mr. Han Benwen that need to be brought to the attention of the Shareholders.

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements of the Company at the time, lead to an enhancement of the net asset value per share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,885,000,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting i.e. being 5,885,000,000 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, an aggregate nominal amount of Shares not exceeding US\$5,885,000 (equivalent to 588,500,000 Shares), representing 10% of the aggregate nominal amount of the Shares in issue as at the date of the Annual General Meeting.

3. FUNDING OF REPURCHASES

The Directors propose that the repurchase of Shares under the Repurchase Mandate would be financed from the Company's internal resources.

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum and Articles of Association, the Cayman Companies Law and/or any other applicable laws, as the case may be.

The Company is empowered by its memorandum and Articles of Association to repurchase Shares. The laws of the Cayman Islands provide that a purchase of shares may be made (to the extent of the par value of such shares) out of profits or the proceeds of a fresh issue of shares made for such purpose or, out of capital, provided that the Company is able to pay its debts as they fall due in the ordinary course of business and the purchase is authorized by its Articles of Association. Any premium payable on a purchase may be made out of profits, the Company's share premium account or out of capital, provided that the Company is able to pay its debts as they fall due in the ordinary course of business and the purchase is authorized by its Articles of Association.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2011) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best knowledge of the Directors, the controlling Shareholders (as defined in the Listing Rules) of the Company, namely Mr. Zhang Shiping and Hongqiao Holdings (the "Controlling Shareholders"), together control the exercise of 84.96% voting rights in the general meeting of the Company.

In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholding interest of the Controlling Shareholders would, based on their current shareholding, be increased to approximately 94.4% of the total issued share capital of the Company. The Directors are not aware of any consequences which would give rise to an obligation on the Controlling Shareholders to make a mandatory offer under Rule 26 or Rule 32 of the Takeovers Code.

The Directors will not make any repurchase of Shares if the repurchase would result in the number of issued Shares in the hands of the public falling below the public float percentage as required under the Listing Rules and agreed by the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules) has any present intention to sell any Share to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Share to the Company, or that they have undertaken not to sell any Share held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

7. MARKET PRICES OF SHARES

The Shares are trading on the Stock Exchange and the highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the following months up to the Latest Practicable Date are as follows:
